TOQUINHO: A bossa nova "nao tem tempo nem idade"

It's a special anthology performed by "Toquinho", an exceptional Brazilian's representative artist, who has gone through this great artistic movement, which has changed the musical history of her country. Over his artistic way **Toquinho** always shared emotions and atmosphere of classics of **C. Lyra, Boscoli, J. Donato, J. Gilberto, ...** that is to say the real "fathers" of "bossa nova". Then he lived special, artistic experiences with the great poet **Vinicius De Moraes over 12 years** and he played with great and unique artists such as **Jobim, Baden Powel**, who have influenced the whole world with their style and music.

"40 years of BOSSA NOVA and over"... is a prestigious record/publishing proposal which celebrates **Toquinho's 40 years career**. It is made up of a double audio CD, which includes a set of 30 songs. Picked out, arranged and performed by **Toquinho**, they represent the "real" expression of a "synthesis" of his artistic life, Bossa Nova has been an important reference point in. The international project is meant to be "a reference and deepening point" for all those who want to know and discover again this world-wide "musical phenomenon". (Production 2005).

"Not only music" but also a "special unpublished book and a musical/report DVD"

Joao Carlos Pecci is a famous writer in Brazil (and also **Toquinho's brother**). For this event he will tell the story of "Bossa Nova" with "anecdotes" and "tales" collected from the experiences of his brother's 40 years artistic life. In fact only **Toquinho** can know and tell a musical "piece of story". It is a precious and special "narrative book-let" to live again and discover the main aspects and the deep meaning of "40 years of Bossa Nova and over".

A special DVD in a musical/report format completes the production where essential songs of **Bossa Nova** will be alternated to funny interviews with "the fathers of Bossa Nova", such as **Carlos Lyra, Roberto Menescal**, besides some tales of **Marcel Powel (21 years old), son of the great guitar player Baden Powel**, etc... The record/publishing work (15 songs/multilanguage), has wholly accomplished between Rio e de Janeiro and Sao Paulo. (Production 2007).

The **Toquinho's artistic projects** takes advantage of important professionals, who have been Toquinho's fellow-workers for some time, such as:

- **Piano:** **Silvia Goes** (one of the best jazz pianists in Brazil)
- **Bass:** **Ivani Sabino** (50 years old and 20 spent with Toquinho)
- **Drums:** **Pedro P. D'Elia** (a very skilled drummer)
- **Keyboard:** **Keco Brandao** (arrang./computer planning/electronics)
- **Sax/outros:** **Proveta e François** (authorative musician, founder and protagonist of Banda Mantiqueira, nominated in the U.S.A "as the best Jazz Band in Brazil")
- **Vocalist:** **Vanda Breder** (a charming and typical Brazilian voice)
- **Guitar and voice:** **Toquinho**

Bossa Nova consists in hundreds of songs. A considerable number of authors helped to export this kind of music inside different musical ambits, as far as Jazz. **For the celebration of his 40 years career, Toquinho has wanted to dedicate a real "homage" to those "special and peerless friends"**, he shared his long and artistic life with, the couple **Vinicius De Moraes/Tom Jobim** and **Baden Powel**. Moreover there have been recognitions dedicated to **Carlos Lyra, J. Donato, R. Menescal, Boscoli...**"other true protagonists" of "40 years of Bossa Nova and over".
